

Tuition Assistance FAQ

At Anthem, we desire for our school to reflect the larger Christian community in every possible way. A need-based Tuition Assistance program increases the number of qualified candidates who can join our community, and it strengthens every program in the school by including students whose families could not otherwise provide a classical and Christian education for their children. FACTS Grant & Aid Assessment will be conducting the financial need analysis for Anthem Classical Academy for the upcoming school year.

How do I apply for financial assistance?

Families will need to complete an Anthem student application, as well as a financial aid application. Then submit the necessary supporting documentation to FACTS Grant & Aid Assessment by April 7th (or later as assistance is available). Applicants can apply online now with our dedicated FACTS link.

What documents do I need to include when applying for assistance?

Please be prepared to upload electronic copies (pdf) of your most recent full tax returns (both personal and business, if applicable) along with all supporting schedules and forms. This supporting documentation will be required in order for your application to be complete and verified by FACTS. Incomplete or unverified applications will not be considered.

How much does it cost to apply for assistance?

You will be asked to pay for the \$35 tuition assistance application fee by FACTS. The one-time application covers all the students in your household.

Will I need to reapply every year for tuition assistance?

Yes. However, families who receive tuition assistance this year will be given first priority the following year for tuition assistance.

Does Anthem award any full tuition scholarships?

All families awarded scholarships will still be required to contribute to their children's education in some financial way. The family's ability to pay and available funds determine the amount of awards.

When will I know if I am eligible to receive tuition assistance?

Please allow 3 to 4 weeks for your application to be processed. If you have provided an email address, make sure to check the primary email address regularly for notices sent by FACTS indicating missing information or tax documents. Application deadlines are set by Anthem. If you are applying after a given deadline date, please contact Anthem to ensure that your application will be accepted.

NOTE: Award decisions are not made by FACTS but by Anthem Classical Academy.

If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 1-866-441-4637.
